II. PERSONAL VIEW

What is one improvement you would like to make the College of Engineering?

Please list or attach a minimum of 3 goals you would like to accomplish while serving on the Engineering Student Council.

“I,__________________________, give my permission for the Engineering Student Council to verify the above information. I have read and will comply with the rules and regulations. I acknowledge my candidacy for the office indicated on this application and will, if elected, accept the responsibilities it places on me. I further certify that the above information written on this candidate application is true to the best of my knowledge.”

______________________________  ________________________
Signature                      Date
I, ____________________________, hereinafter referred to as Candidate, commit myself to the provisions of this Contract of Compliance, governing my conduct during this student body officer election and during my term of office, if elected.

1. Candidate certifies that at the time of application, she/he has fulfilled all prerequisites to candidacy as prescribed by the Engineering Student Council Bylaws.

2. Candidate commits to uphold, obey, and sustain all policies and procedures of California Polytechnic State University and will handle all dealings with faculty, staff, and students with absolute integrity.

3. Candidate, if elected, commits to uphold, obey, and sustain the Engineering Student Council Bylaws during her/his term of office as a student officer, and further commits to the following provisions:
   a. Candidate will maintain required academic standards.
   b. Candidate will uphold and honor the policies and procedures of California Polytechnic State University as well as standards of honesty and integrity in all dealings.

4. Candidate will not participate in any illegal activity or engage in any substance abuse. Behaviors of this type will not be tolerated and will result in appropriate action.

If candidate elected fails to fulfill all provisions of this contract, it will be necessary to initiate action for her/his termination from office through appropriate procedures as outlined in Engineering Student Council Bylaws. If candidate has not yet been selected, she/he may be disqualified from holding a position.

THIS COMMITMENT MADE ______________________, 2013.

PHOTO RELEASE FORM

I grant permission to the Engineering Student Council, on behalf of California Polytechnic State University, to use photographs taken by and of me for use in council publications, including web sites or other electronic or printed forms of media, and to offer the photographs for use or distribution to other university departments, without notifying me.

I hereby waive any right to inspect or approve the photographs, publications, or electronic matter that may be used in conjunction with them now or in the future, whether that use is known to me or unknown, and I waive any right to royalties or other compensation arising from or related to the use of the photographs.

I hereby agree to release and hold harmless the Engineering Student Council, on behalf of California Polytechnic State University, via electronic or media, from and against any claims, damages or liability arising from or related to the use of the photographs, including but not limited to any re-use, distortion, blurring, alteration, optical illusion or use in composite form, either intentionally or otherwise, that may occur or be produced in production of the finished product. It is the discretion of California Polytechnic State University to decide whether to use the image.

I am at least 18 years of age and I am competent to contract in my own name. I have read this release before signing below, and I fully understand the contents, meaning and impact of this release. I understand that I am free to address any specific questions regarding this release by submitting those questions in writing prior to signing, and I agree that my failure to do so will be interpreted as a free and knowledgeable acceptance of the terms of this release.
